Our healers conform to the  
BAHA Code of Conduct & No.1 standards

**Energy Healing** is natural and holistic, dealing with spiritual, mind and physical needs of people. It seeks to bring about the co-ordination of physical, mind and spiritual therapies on all levels of expression. The healer balances energies, to encourage beneficial changes in the body, mind and spirit.  
(Healing has not been scientifically proven).

BMSI is registered  
under the Data Protection Act  
Regn. No. PZ 6562587
